

Highlights

- **Marketing sales exceeds IDR3.3 trillion up to September 2011, increased by more than 93% compared to the same period of last year. We are optimistic that we will surpass our target of IDR3.5 trillion for 2011.**
- APLN acquired three companies inline with its expansion plan. First acquisition was PT Karya Gemilang Perkasa which has 52.83% ownership of Emporium Pluit Mall, one of the best malls in North Jakarta. Next was PT Putra Adhi Prima which has more than 84 hectares in West Java which will be developed into an integrated residential and resort complex. The third was PT Alam Hijau Teduh which will develop two apartment towers for sale in West Jakarta.
- The Company appointed Marriott Group to manage its project in Nusa Dua, Bali, which will have around 300 international-standard five star hotel rooms as well as villas and residential units

Marketing Sales up to September 2011

- Marketing sales up to September 2011 was 122% above our target. The main contributors were Green Bay with 31%, Podomoro City with 22% and Green Lake with 18%.
